

Hey there, friend!

My guess is that if you downloaded this, you're in the process of planning a women's event/retreat. If you are, I'm so excited! I know that great things will come from your event as you seek to encourage the women in your life with the truth of Yeshua's unending love for them.

My book, "[Dear You: Letters of Identity in Yeshua](#)" is a great resource to draw from as you plan your event. Not only is it filled with powerful truths from Scripture, but there is also an appendix at the back of the book specifically for hosting a book study or women's gathering. It includes lots of tips and ideas that you won't want to miss!
