

Hey There. Friend!

My guess is that if you downloaded this, you have a new mother in your life that you want to support. If so, I'm so excited! I know great things will come as you seek to encourage young mothers and support them in their transition to motherhood.

*My ebook, "**Fruitful Friendship**" is a great resource to draw from for more ideas to minister to new mothers! Not only is it an amazing study to do with friends, it has so many service project ideas to bless the world around you. You don't want to miss it! You can grab your copy at:*

Conversation Questions - Motherhood

What is your favorite
coffee order?

I know it's common to
go through the baby
blues — how can I be
there for you so you
don't feel alone?

What is one thing that
has surprised
you about
motherhood?

Can I pick up anything
from the
grocery store
for you this week?

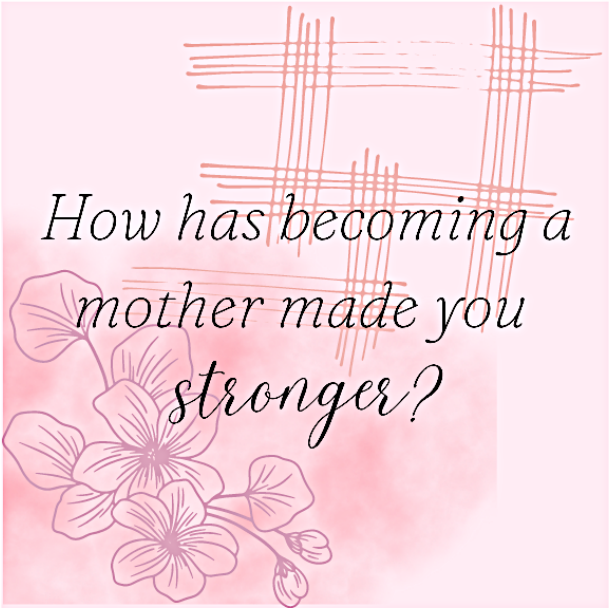

In what way does your
heart need
encouragement
right now?

Do you have someone
you can call or text
during nighttime
feedings to keep you
company?
Here's my number!

Conversation Questions - Motherhood

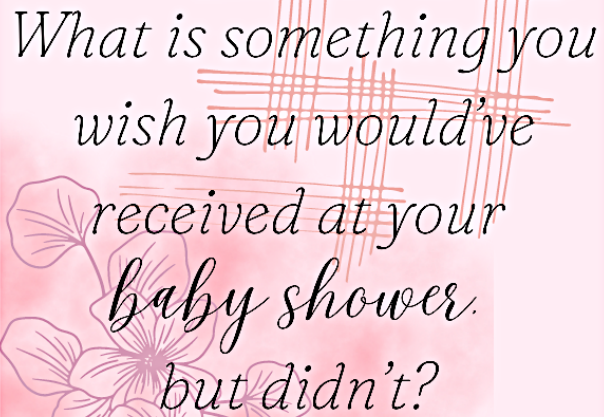

How did you
choose your
baby's name?

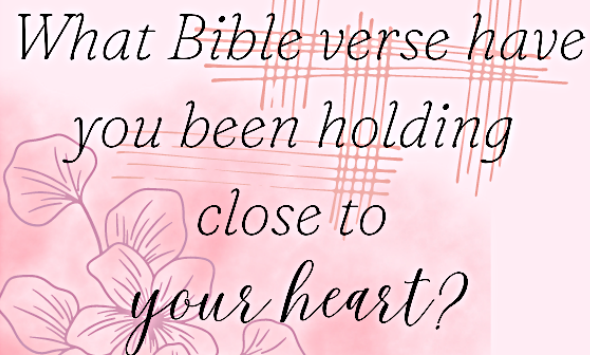

How has becoming a
mother made you
stronger?

Who inspires you in
your journey of
motherhood?

What is something you
wish you would've
received at your
baby shower,
but didn't?

What Bible verse have
you been holding
close to
your heart?

How can I be more of a
support to you during
this transition?
