

Well hey there, friend — you and your spouse are in for a treat!

These free downloadable coupons go perfectly with my ebook, "12 Months of Dates to Grow a Meaningful Marriage" — which contains 12 months of planned, themed date nights. Each month has three unique date ideas with different price brackets to fit any budget, and corresponding connection questions to discover more about each other.

Purchase this amazing ebook to take the stress out of date planning by going to:
